1st Indorsement

7 April 1948

Assistant Director, C & D

TO: Director of Central Intelligence

1. This office concurs in the views expressed in basic memorandum and in the recommendations based thereon, and would be pleased to participate in any IAC meetings for discussion of the collection problems involved.

2. It is suggested that any plan developed for correlation of [redacted] and NIS be cleared with SANACC (or that Committee's Military Information Control Subcommittee), prior to taking it up with [redacted] to assure that it is in accord with SANACC policy.
